Modelling spatial areal unit data in R

Dr Duncan Lee, School of Mathematics and Statistics, University of Glasgow <u>Duncan.Lee@glasgow.ac.uk</u>

Wednesday 9th May 2018

13:00 – 14:45 – Session 1 Exploratory spatial analysis in R

14:45 - 15:15 - Coffee break

15:15 – 17:00 – Session 2 Modelling spatial data

SMR for respiratory disease in 2011
